Dear Parents/carers,

This academic year I am looking forward to work hand in hand with you in your child's learning journey by doing activities at school and home. Therefore, kindly choose one activity you would like to do with your child each week and then send the book to school every Friday. If possible, kindly take a photo and paste it on the homework book as this would be great feedback on how your child is actively engaged at home and working towards meeting their developmental matters. If this is not possible, write a short comment about how your child performed in the activity. If you need any support, kindly let me know.

The activities are as follows:

- Writing skills
- Drawing a picture
- Colouring a picture
- Reading a book
- Listening to a story
- Construction
- Threading skills
- Play dough

Thank you for your cooperation in your child's learning journey.
