

Isamilo International School

The right balance

Wednesday 30<sup>th</sup> April, 2022

Dear Parents/Guardians,

On Thursday 7<sup>th</sup> April, there is no school and so we are organizing a Swimming Challenge for all students. The money raised will go to repairing the pianos and guitars in the music department. Once the instruments are repaired, we can then start running peripatetic music lessons as well as utilize them in lessons. The swim challenge is to push yourself outside your comfort zone and do something you didn't think you could! It is totally up to the students to decide how far, and what swimming stroke.

#### Reception to Year 2

We are challenging the younger children to pay 5,000TSZ and swim as many lengths of the school pool as they can. Maximum amount is 10. We will be starting at 9.00am

#### KS2

We are challenging the Primary children to pay 5,000TSZ and swim as many lengths of the school pool as they can. Maximum amount is 25. They will be starting at 10.00am

#### Secondary

We are challenging the Secondary students to decide for themselves how many lengths they want to swim. They can pay a set price of 5000 TSH or they can ask family and friends to sponsor them per length. They will be starting at 11.00am

We will be finishing at 1.00pm so that everyone can benefit from the Public Holiday!

Kindly fill out the information over the page. Any money for the swim to be passed to Ms Nelly in reception.

Kind regards,

Liz Courtenay  
Music Teacher

John Banks  
Head of Secondary

Mercy Mulwa  
Head of Primary
