

Isamilo International School

The right balance

Wednesday 23rd March, 2022

Dear Parents,

You may have heard that there is a new Music School opening in Mwanza. They already have offices in Dar es Salaam and Dodoma, and are now here. We have been talking to them for a couple of weeks with the hope that they will come to school to give the students Piano and Guitar lessons. However, as it has been a hectic term we will not be starting until after the Easter break.

In preparation for these music lessons, next week the Music school will be coming to Isamilo to introduce themselves to the students. On Monday 28th March, at 3.15pm until 4.15 in Mozart, they will be introducing the Piano, and on Wednesday 30th March, at 3.15pm until 4.15 in Mozart, they will be introducing the Guitar.

We are offering this opportunity to students in Year 5, 6, 7, 8, and 9. Please come along if you are interested to get an idea of what the music lessons will be like and what new skills they could learn.

Yours faithfully,

Liz Courtenay
Music Teacher
