Oral Hygiene and dental check ups – Monday 13th June

Dear parents and guardians,

We are pleased to inform you that the team at Hope Dental, a local and highly recommended dental surgery in Mwanza, are coming to visit Isamilo International School next week on **Monday 13th June**. They will be leading talks with our students about the importance of oral hygiene.

They have also kindly offered to provide **free dental check ups** to our Isamilo students after school from **2.30pm to 5pm**. These are drop in sessions but all students **must be accompanied by a parent or guardian**. In order to ensure that we have sufficient capacity, please return the below form to Miss Nelly and indicate if you are interested in a check up for your child. If there is high demand, we will run the check up sessions on Tuesday 14th June as well.

We hope that you will take up this excellent opportunity and see your child's oral health as a priority in their wellbeing.

Kind regards,

Emily Dodd
Deputy Head of Primary

I am interested in a free dental check up for my child/children

Number of children in our family who would like a check up _____
