

RE: Art Competition with the theme "Gardens"

Monday 21<sup>st</sup> March 2022

Dear Parents and Guardians,

We will be having an art competition for the Early Years children with the theme of "Gardens." Students who want to join will have to pay 1000tsh and submit a piece of artwork to their teachers by Friday 25<sup>th</sup> March. They can use whatever materials they want to, but the art has to show the theme "Gardens." The winner will get a prize, and the top three pieces of art will be displayed at the Early Years compound. The money raised will go towards renovating the playgrounds at both Early Years buildings.

Yours Faithfully,

Ms Kathomi
