Dear parents and guardians,

We hope you and your families had a good half term break, we are pleased to welcome the children back to school today.

Home – School Communication

Following feedback from the PTA about developing communication between teachers and parents, there will now be weekly updates from your child's class teacher. Once a week, you will receive news about some of the learning in your child's class via the school WhatsApp groups. You may be sent photos of some of the activities completed in class for you to enjoy. It is important to note that these **photos must not be shared beyond the WhatsApp group** as this violates safeguarding and child protection policies.

We would also highly encourage you to contact your child's class teacher via the homework diaries or their email (available on the school website) if you have any questions or concerns. This method of communication will provide a more instant response instead of waiting until our parent – teacher consultations or a PTA meeting.

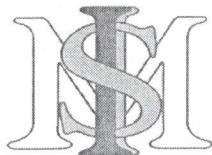

Clubs

As you may be aware, clubs will be starting for Key Stage 2 this half term. Early Years and Key Stage 1 will use this allocated time this half term for nativity rehearsal and we will start clubs in Term 2. We will let you know when these rehearsals will begin.

Kind regards,

Miss Mercy Mulwa
Head of Primary

Miss Emily Dodd
Deputy Head of Primary
