08th March, 2022

Dear Parent(s)/Guardian(s) of Year 9 students,

This letter serves to inform you that your child will be writing Mock Checkpoint Examinations from Wednesday March 16th to Friday March 18th 2022. These mock examinations will provide your child with an opportunity to familiarise themselves with examination conditions prior to writing their actual examinations in April. It will also give them a sense of how prepared they are for the actual examinations.

These examinations will happen during the first 3 periods in the morning as follows:

Wednesday March 16- Mathematics

Thursday March 17th - Science

Friday March 18th - English

Please ensure your child has the necessary tools, such as pencils, pens, Mathematical sets, calculators etc. to complete their examinations.

Working together with you for your child's success,

R. Wright
