International Day

Dear parents and guardians,

We hope you had a wonderful Easter break and are looking forward to a fantastic term.

We would like to update you on our annual International Day which will be celebrated by the Primary Department on Friday 13th May. It will be a day to celebrate the nationalities and cultures in our school, as well as giving children a chance to learn about other places. We would really appreciate your support in preparing for this day.

Firstly, we are inviting all the children to come dressed in an outfit to represent their own heritage or another country of their choice. The children will have a chance to model their costumes for the other children in their classes.

Secondly, we will be hosting an international sharing lunch to allow the children to try foods of different countries. We would be grateful if you could provide a traditional dish or drinks of your own heritage for children to share in class. For example, traditional mishkaki or fruits from Tanzania or traditional dahl or breads from India. Please ensure the name of your dish and their country of origin is labelled.

Please ensure the food is delivered to school by the following times.

Pre School 1 and 2 - 11:00 am

Reception, Year 1 and 2 - 11:15 am

Year 3 - 6 - 12:15pm

School will finish at the normal time on that day.

Kind regards,

Miss Mercy Mulwa

Dear parents and carers,

We hope you and your families had a restful holiday. We have enjoyed welcoming the children back for the start of the new term. The last day of this term will be Wednesday 1st June

This term we would like to welcome Mr. Edward Tiffany who is teaching Year 3S. We would also like to inform you that clubs for children in Year 1 and 2 will recommence the week beginning 16th May, more information will follow on this.

There will be no clubs for KS2 this term as we will be working on the KS2 production. Year 3-6 will be required to stay in school every Wednesday starting 11th May from 2:15-3:15 to practice for the play.

May we also take this opportunity to remind you that parents are only allowed onto school sites if they have an appointment with a teacher. Parents are not permitted to wait for their children inside the gates of the main school site.
